and Scholarship Programs.

CREW Last Call For Fall Needs You!

For those of you thinking summer has been too wet, to hot, to humid... think **Fall!** CREW Chicago's Last Call For Fall will be here before you know it. CREW Chicago is in the midst of finalizing its 9th annual Last Call for Fall event to be held on **Wednesday, November 13th, 2019** to be held at **Chicago Architectural Center's** new location along the river on Wacker Drive.

Last Call For Fall is CREW Chicago's evening of networking including a silent auction. The event raises funds to assist in creating opportunities for women and girls to reach economic and professional success. Funds go to support CREW Chicago's Leadership & Educational Initiatives and CREW Chicago scholarships.

We are reaching out to you to kick-off the drive for silent auction items for this year's events. Here are some ideas you may not have thought about...

1. Do you have an Airbnb, an apartment in the city or a getaway cottage.... these are a favorite to bid on!
2. Own or timeshare a boat and willing to take some friends on a sunset cruise or a sail?
3. Travel a ton with hotel or airline miles to donate?
4. Have season tickets to opera, dance, theatre or sports... are there any nights you're out of town or won't be using them?
5. Are you a member of a private golf or social club that other would love to see?
6. Do you love to cook and want to be a chef for the night... do it with friends!
7. Is there anything you are blessed to have and other might enjoy experiencing?
