PARTNER**

Sophie Bidek is a partner at Hartshorne Plunkard Architecture (HPA), an architecture, planning and interior design firm that specializes in large-scale, privately funded real-estate work. A strong leader and creative visionary on complicated programmatic projects, Sophie is at the design helm of record-setting projects such as No.9 Walton, an ultra-luxury condominium tower with the most \$3M+ sales; and One Chicago Square, a 2.2MSF, mixed-use, multi-tower development that will be the city's 6th tallest skyscraper. Her portfolio spans both adaptive-reuse projects, such as the Chicago Athletic Association Hotel, and cutting-edge new structures like 640 North Wells.

Sophie current serves on the CREW Chicago Board of Directors, and past Chair of the Network Liaison Committee. She began her career at HPA after earning her bachelor's and master's degrees in architecture from the University of Illinois at Chicago.
